

The foreigner who undertakes or continues studies on the territory of the Republic of Poland must have funds to cover the subsistence costs on the territory of the Republic of Poland in the amount of at least PLN 543 for each month of residence:

1. for 15 months or
2. throughout the whole period of residence, if it is shorter
- or the equivalent of this amount in foreign currencies.

The foreigner who arrived to the territory of the Republic of Poland or resides in Poland along with dependent family members, must have funds to cover the subsistence costs in the amount of at least PLN 457 for him/herself and for each family member for each month of residence for 15 months or throughout the whole period of residence, if it is shorter, or the equivalent of this amount in foreign currencies.

If the foreigner does not have funds in the amount mentioned above, it is assumed that the obligation of such funds is fulfilled if the foreigner has sufficient monthly funds at least in the following amount:

1. PLN 543 - for him/herself,
2. PLN 457 -for him/herself and for each dependent family member
- throughout the whole period of their planned period of residence on the territory of the Republic of Poland.
